Purchaser Rights

This cat/kitten is guaranteed to be in good health at the time of sale and has been inoculated for panleukopenia, rhinotracheitis, and calici virus at the age of 8 weeks and at 12 weeks. Kittens require one additional inoculation (FVRCP) and a rabies vaccination at the age of 16 weeks at the Purchaser's expense. Kittens have been treated with Nemex II wormer. Adult cats will be up to date on FVRCP and Rabies inoculations at the time of sale.

This health guarantee extends 72 hours. During this time, the Purchaser may have the cat/kitten examined by a licensed veterinarian and have him/her perform any tests deemed necessary to assess health at the Purchaser's expense. If the Purchaser's veterinarian renders a diagnosis of ill health (must be accompanied by a clear written statement of the veterinarian's findings and/or diagnosis, including the clinical basis for them, and copies of all relevant reports and tests, along with an estimate for treatment), the breeder reserves the right to have the cat/kitten taken to the breeder's choice of veterinarian for a second opinion, at which time the breeder will pay all reasonable testing/treatment costs. Purchaser may also decide to return the cat/kitten for a full refund of the purchase price or in exchange for another kitten of similar quality selected by the breeder. If a veterinarian or Purchaser initiates any treatments or vaccinations during this time period without the breeder's written consent, this health agreement is null and void.

The Breeder will provide full health record from the Breeder's licensed veterinarian at the time of purchase. The Breeder will provide a CFA Blue Registration Form for kitten **or** a green CFA registration for a cat **and** a four generation pedigree.

Purchaser Responsibilities

The purchaser agrees to keep the kitten/cat as long as it lives, unless extreme circumstances intervene. The buyer will make provision for care of the kitten/cat if the buyer should die or otherwise become unable to care for it. Such provision does not include euthanasia.

This pet will not be declawed. This cat will not be allowed to roam outdoors.

Purchaser agrees that adequate indoor sanitary facilities will be provided and that this cat will receive proper veterinary care and will receive annual well visits and inoculations as recommended by their veterinarian.

If purchased as a pet, the Purchaser agrees to neuter or spay this cat between the ages of 5 and 7 months.
